

# PUBLIC HEARING ANNOUNCEMENT

## and Notice of Availability of an Environmental Reassessment for Proposed Improvements to the Alameda Boulevard East Corridor Bernalillo County, New Mexico, CN 3250, Project #TPU-4020(6)

Bernalillo County, in cooperation with the New Mexico State Highway and Transportation Department (NMSHTD) and Federal Highway Administration (FHWA) have completed an environmental reassessment for proposed improvements to Alameda Boulevard between I-25 and Eubank Boulevard, as well as Eubank Boulevard between Alameda and Paseo del Norte. The purpose of the proposed improvements is to add additional driving lanes, a raised median, sidewalks, drainage improvements, bicycle lanes, and a recreational trail in some areas. Improvements are needed to improve existing and future traffic conditions, control access to the roadway, enhance safety, and provide continuity within the local transportation system.

The Environmental Reassessment describes the need for the project, the alternatives under consideration, and the social, environmental, and cultural impacts of the proposed project. Copies of the Reassessment are available for review at the following locations:

**Parsons Brinckerhoff**  
5801 Osuna Rd. NE, Suite 200  
Albuquerque, NM 87109  
(505) 881-5357

**Cherry Hills Library**
